MOTHERBOARD

12x43, HD

A coproduction of VICE and Autentic exploring the unusual presence, the speculative future and a fictional past

The future is wonderful, the future is terrifying. We should know, we live there. Whether it's on the ground or on the web, Motherboard is traveling the world to uncover the stories that will define what's coming next. New technologies, cultures, and discoveries are constantly reshaping this old planet of ours, and it's happening faster than ever before. Join us in the journey."
