## GET STARTED! FROM IDEA TO SUCCESS

15 x 45' (GER, 1 EP ENG subs)

**A series about business pioneers with courage, heart and mind.**

Often it's an ingenious idea, sometimes it's just the iron will to stand on one's own feet. Every year thousands of startups are founded in Germany alone. The optimism and energy of these pioneers, all paired with a risk capital of 10 billion euros makes them an important engine of German economy. Get Started! introduces these very different personalities. What connects them is the same goal: success!
