# THE MIRACLE OF LASSING - CHRONOLOGY OF A CATASTROPHE

2 x 45' (GER)

**The mine accident at Lassing - a story full of drama, suffering, hope, happiness and grief.**

Only hours after a talkmine collapsed in the small village of Lassing and buried the mining worker Georg Hainzel, ten courageous men set out to save him. What they didn't know was that water had penetrated through the collapse, making the walls unstable. The rescue team is buried and a dramatic race against time begins. After nine days underground, Georg Hainzel is found alive - but what fate has happened to the other ten men?
